

SEND Softplay.

A **FREE** monthly softplay session run by the Children's Centre in collaboration with BOING. This is for families of children 0-5 years with additional needs. (no diagnoses needed). This is a bookable session please see the website to book.

SEND Garden Time

The garden space is for families with children 0-5 years who may not have a garden to play in, or who may have additional needs. This session is not supervised by children centre staff.

Boogie Gym

Come and join us for our fun movement session at Hengrove Leisure Centre. Together join in with fun physical activities including dance, parachute games and a children's gym circuit. Physical activity is one of the best ways to improve health and wellbeing. Come along and find out more. Age 0-5 years.

Nature Play

Join us to explore Hartcliffe City Farm. Enjoy nature-based activities. Pull on your wellies and old clothes as we will be outside having fun most weeks, weather permitting.

Little Explorers

This fun group is for expectant parents and parents under 21.
A chance to meet with other parents and their children in a fun environment with lots of opportunity to play.

Dad's Rock

Join our **FREE** 8-week course for under 2's and dads/male caregivers. Explore music, stories & games together.

Learn how child-led musical play helps with developing baby and toddler's emotional regulation, communication, language, numeracy and creativity.
Have fun, bond with your little ones and meet other dads too.

Call Emma on 07943 973 473 for more information

Baby Hub

A chance to see the Health Visitor for advice and scales will be available for you to use.
Also breastfeeding support and the Children's Centre team are on hand to share information. Suitable for parents/carers of children under 0-5 years.

Baby Peep

Play and learn together.
Book online to join our PEEP parents/carers, babies to learn together through playing, listening, talking, singing and sharing books. Supporting and building on what families already do at home. Making the most out of everyday learning opportunities to help your child reach their full potential.

Infant Feeding

A chance to get advice and support around feeding and what works best for parent and baby.

Mums in Mind

A free peer support group for mums with children aged 2 and under who feel like things are getting on top of them. Join the group for snacks, crafting and activities.
At Knowle Children's Centre.

Hello Baby

A free four-week course to help you prepare for the birth of a baby.

The course will help you prepare for the birth experience, and the early days after having your baby. Get to know your baby and how to give them the care and comfort they need.
Understand more about feeding your baby and the support available to you. Meet other new parents in your local area. Explore where you can get support for your family's wellbeing, relationships, and fun activities to support your baby's development.
